**SUMMER ENRICHMENT WORK
FUN FILLED ACTIVITIES ARE HERE IN STORE FOR YOU**

My Dear Learner,
Hope you are keeping well and safe!

We have planned summer vacations full of fun activities for our children. Kindly guide them to do these activities through the summer. These are suggestive activities which will develop their cognitive and motor skills. The Idea is to enhance child's awareness of his / her surroundings and life skills.

Regards,
Class Teacher

A vibrant, child-friendly illustration of a scene. At the top left, a multi-colored rainbow arches over a white, fluffy cloud. To the right, a bright yellow sun with rays is partially visible. Several balloons in green, blue, and orange are scattered across the sky. The bottom of the image features a green grassy area with various flowers in pink, orange, and purple. A small snail is visible on the right side of the grass. The entire scene is set against a light blue background.

Instructions for the submission of the work:-
