

ANNUAL REPORT 2024-25

**“Mukand , a name that speaks of strength and grace ,
of roots that run deep and hearts that embrace.**

As we venture forward , to the heights we aspire,

our spirit unshaken, our dreams rise even higher.”

As the curtain rises on yet another vibrant year , we are reminded that education is not just about the lessons we learnt in the classroom , but about the stories we create together - the milestones we achieve , the dreams we nurture , and the values we uphold. This year has been a testament to our collective resilience, creativity , and boundless potential.

With every challenge faced and every success celebrated, our school has continued its journey towards excellence. Today , we stand proud , not only for what we have accomplished but for the unyielding spirit of our students , staff , and community , who like an ever-rising tide, elevate one another to greater heights.

Before I start my school report, I would like to share with immense pride and joy that we announce a monumental milestone in our school’s journey. We are now a senior secondary school affiliated with CBSE upto Grade XII. With this, we are now even more committed to providing an enriching environment. This milestone belongs to all of us – Management, faculty , Parents , Students and the larger school community . Together, we will soar to greater heights.

Through this school report, let us relive these moments of triumph, dedication and progress, all woven into fabric of our shared journey. Welcome to a celebration of our school’s continued commitment to shaping tomorrow’s leader-today.”

At our school, we believe that a progressive learning environment extends beyond text books & classrooms. Its about creating spaces that inspire curiosity, collaboration and growth.

Our classrooms have been dynamic tech enabled equipped with interactive smart boards that allow for more engaging students centered learning , to nurture the innovators of tomorrow. We have invested in state of the art Science and tech labs with latest equipments. Refreshment of Milk and fruit to students upto Grade V is sincere effort to inculcate healthy eating habits among our students.

All the classrooms are air conditioned to sooth the students in prickling heat. We are proud to be at the forefront of sustainability with the installation of 30 KV Solar panels and energy efficient lighting across the campus.

Academic distinction remains the cornerstone of our institution . I am elated to share that our students have consistently excelled , with a commendable 100% pass rate in board examinations this year.

Madhur Mehta , school topper got 94.2 % marks got 99 in AI , 97 in Maths , 95 in Social Science , 95 in Science , 95 in Hindi out of 100 Gurkirat an english topper got 97 out of 100 , Tanish got 89.2% ,

Social Initiatives: Instilling a sense of Empathy and Responsibility : In an era marked by rapid change and increasing societal challenges , we take pride in instilling values of empathy , community service and environmental stewardship in our students. Our green earth initiative , led by the school 's Eco club , has not only planted _____ Saplings but also fostered a mindset of sustainability and conservation.

In addition , students participated in various philanthropic endeavors , such as organizing rallies , contributing to needy and volunteering at old age homes and orphanages. These experiences have broadened their understanding of civic responsibility and human compassion.

Innovations and future Readiness: Pioneering New Frontiers

Moreover our focus on interdisciplinary learning , critical thinking and problem solving has been bolstered through specialized workshops, seminars , and mentorship programs forging strong connections through leaders from various fields.

Faculty empowerment:

I am immensely proud of our dedicated faculty , whose tireless efforts and unwavering commitment form the backbone of this institution. We have invested significantly in their continuous professional development , offering workshops and certifications on innovative pedagogical strategies , assessment and classroom management etc. their dedication to self improvement directly reflects in the success of our students , for they not only teach but also inspire.

Parental Engagement : Building a collaborative community.

I would like to take a moment to express my gratitude to the parents ,whose trust and support have been indispensable to our success .the partnership between parents and educators is crucial in shaping a child 's future, and the active involvement of our parents has greatly enhanced the fabric of our school community. Your insights, collaboration, and engagement in school initiatives have been invaluable, and for that, we are deeply thankful.

Looking ahead: aspiring for greater heights

As we look toward the horizon, our vision remains steadfast –to prepare our students not just for academic success, but for life. Our future initiatives include the expansion of our infrastructure, with plans for a state-of-the-art sports complex, digital laboratories, and a revamped library that will serve as a beacon of knowledge. Our focus on values, ethics, and a strong academic foundation will continue to guide us as we march forward, committed to nurturing future leaders who are grounded in integrity and compassion.

Conclusion

As we reflect on our achievements and set our sights on the future, I would like to leave you with the essence of the Mukand philosophy-one that is deeply rooted in the service of our nation through shiksha, chikitsa, and the preservation of our environment. This guiding philosophy shapes everything we do here at Swaraj public school, damla, as we aim to not only educate but also inspire a sense of duty towards society and the world around us.

“Through shiksha, we build minds, both wise and bright,

Through chikitsa, we heal, bringing hope and light.

With every step, we nurture the earth’s green embrace,

For a future that shines, with values in place.”

Let us continue this sacred journey of learning, serving, and protecting, always mindful of the responsibilities that come with education. Together, may we forge a path of excellence, compassion, and stewardship for future generations. Thank you, and may the coming year bring us even greater success and fulfillment.”
